Montana Cancer Consortium Website Privacy Policy

Montana Cancer Consortium (MCC) places a high priority on protecting your privacy.

Personally Identifiable Information

Individuals that sign up to receive MCC e-communications voluntarily provide us with contact information (such as name and e-mail address). We may use this information for specific, limited purposes. You may always "opt out," either now or at any time in the future if you do not wish to receive our messages.

IP Addresses

MCC uses your IP address to help diagnose problems with our server and for statistical metrics used to track website visitor traffic.

How Your Information May Be Used

MCC uses your personal information to provide you with personalized service; to send e-mail alerts to you; to answer your requests; etc. You may choose to opt out at any time.

Email Privacy

MCC does not provide, sell, or rent email addresses to anyone outside the organization.
